Corbyn orders Labour MPs to back Brexit bill

JEREMY Corbyn has ordered his MPs to back the Brexit bill in its final House of Commons stage, a Labour source has said.

The move paves the way for Prime Minister Theresa May to trigger Article 50 by her end of March deadline, formally beginning the process of leaving the European Union.

Mr Corbyn's decision to impose a three-line whip on Wednesday's vote also risks the resignation of high-profile shadow cabinet ministers like Clive Lewis.

The decision to back the Brexit bill was agreed by the shadow cabinet on Tuesday.

There was a heated debate over the issue at a meeting of the Parliamentary Labour Party on Monday after 47 MPs defied Mr Corbyn and voted against the bill at the first stage of its passage through the Commons last week.

US tourist's 'child abuse' case dropped

AN American woman accused of travelling thousands of miles to commit a child sex offence in north Wales has been cleared after her case was dropped.

Christine Lacson Abad, 27, of Cary, North Carolina, was charged with arranging a child sex offence, attempting to groom a 15-year-old in Wrexham and two more sex offences.

But the Crown Prosecution Service said it was no longer pursuing the case.

It said the decision followed further information from North Wales Police.

And she proved exactly why she was once hired as Cameron Diaz's bum double.

***Celebrity Big Brother* alumni Chloe squeezed her assets into the saucy green and white costume as she soaked up the sun in Tenerife over the weekend.**

And she narrowly avoided a wardrobe malfunction in the low-cut string bikini bottoms, which left little to the imagination.

MPs slam Speaker over Trump Commons ban

JOHN Bercow should "think about his position" after MPs slammed him for his plan to block Donald Trump from speaking to Parliament on a state visit.

Tory Nadhim Zahawi called the Speaker a 'hypocrite' after his outburst in the House of Commons.

The Speaker said the travel ban

By COLIN HURST

on people from seven mainly-Muslim countries, and refugees, had hardened his hostility to allowing him the prestige of addressing Westminster Hall during the visit.

"I feel very strongly that our opposition to racism and to sexism and our support for equality before the law and an independent judiciary are hugely important considerations in the House of Commons," Mr Bercow told MPs.

But Iraqi-born MP Mr Zahawi, who was sharply critical of Mr Trump's travel ban after learning he could be caught up in it, said Mr Bercow should explain his remarks to Parliament

He said the Speaker was a hypocrite, having invited Chinese president Xi Jinping despite MPs being unhappy about his policy on Tibet, and the emir of Kuwait, which bans British dual nationals of Israeli origin, to speak in Parliament.

"He opens himself up to the accusation of hypocrisy, that's my point," said Mr Zahawi.

"It's unwise to ban the legitimately elected president of the United States, our closest ally, when we're trying to urge them not to shoot from the hip, not to ban people, to exercise restraint."

Critical

The Chairman of the Commons Foreign Affairs Committee was also critical of Mr Bercow, saying he should not have tried to speak for all MPs.

Crispin Blunt said: "He has no idea whether he will be speaking for a majority of the House of Commons, and this is why Speakers do not express their opinion.

"That's the entire point, otherwise they can't remain neutral and above the political fray."

Ex-cabinet minister John Whittingdale accused Mr Bercow of "playing to the gallery for as much publicity as possible".

He said Mr Bercow's actions had "caused deep embarrassment".

Former Chancellor Lord Lamont said Mr Bercow "has made a terrible error" in criticising Mr Trump.

And former Ukip leader Nigel Farage said the Speaker had "insulted" Mr Trump.

But Labour leader Jeremy Corbyn backed the Speaker, tweeting: "Well said John Bercow. We must stand up for our country's values. Trump's state visit should not go ahead."

Zakaria Bulhan, 19, plunged a large kitchen knife into the back of retired special needs teacher Darlene Horton, 64, on August 3, last year.

Five other people fell victim to his rampage before he skipped away with a crazed smile on his face.

He was arrested six minutes after the alarm was raised when armed police swooped on the square in central London.

After being Tasered, Bulhan, who lived in Tooting, was heard to mumble "Allah, Allah, Allah".

It later emerged that the teen suffered from paranoid schizophrenia and was hearing voices.

Bulhan, a Norwegian national of Somali origin, denied murder at the Old Bailey but admitted manslaughter on the grounds of diminished responsibility.

He did not react as he was led from the dock to return to Broadmoor secure mental hospital.

SHOCK CLAIMS OF TRUMP PAL ALEX...

Lady Gaga worships the Devil!

SHOCK VIDEO: Jones *(left)* and Trump

POP babe Lady Gaga has been branded the spawn of SATAN by a pal of Donald Trump.

The 30-year-old *Born This Way* singer wowed the crowds on Sunday night after she leapt from the roof of Houston's NRG Stadium during her half-time show at Super Bowl 51.

But American Football fans were warned not to watch her performance at the sporting show over claims she is a devil worshipper who does 'rituals'.

Alt-right spokesman Alex Jones – who is also a big Donald Trump supporter – said the event's organisers were trying to DEFILE the United States as part of the 'New World Order'.

He said: "She wears meat suits and does all these rituals.

Broken

"The organisers of the Super Bowl are deciding to defile America and break our will by having us bow down to this.

"They say she's going to stand on top of the stadium, ruling over everyone with drones everywhere, surveilling them in a big swarm.

"To just condition them to say 'I am the Goddess of Satan' ruling over them with the rise of the robots in a ritual of lesser magic.

"So they're saying the rise of the machines is here. You are broken, you are fallen and I squat on top of you and basically piss all over you."

Jones made the bizarre claims in a video which he posted on Facebook, titled 'Lady Gaga To Conduct Satanic Ritual At Super Bowl'.

ALICIA: COWELL WAS FIFTY SHADES IN BED

COSMETIC surgery addict Alicia Douvall has revealed her former flame Simon Cowell is a SEX ADDICT – just like fictional BDSM fiend Christian Grey.

The 41-year-old *Celebrity Big Brother* babe said music mogul Simon could give the *Fifty Shades of Grey* protagonist a run for his money in the bedroom.

She said: "He was just like Christian Grey! He was sensitive – but domineering. He was OCD like Christian, too. His wardrobe was immaculate, with lots of the same items lined up."

‘No way did I kill Helen’ says fiancé

THE fiancé of author Helen Bailey broke down in tears as he told a court he “never stopped loving” the woman he is accused of murdering for her money.

Ian Stewart said there was “no way” he was responsible for killing the *Electra Brown* writer (*above*) and dumping her in a cesspit below their home last year.

The 56-year-old is accused of drugging and likely suffocating his bride-to-be as part of a plot to acquire her riches.

He was repeatedly overcome by emotion as he recalled the early days of their relationship, saying: “We totally clicked and worked together as a couple.”

At the start of the defence case in his trial at St Albans Crown Court, the 56-year-old, the former software engineer said he first met Ms Bailey on a Facebook group for widowers and widows following the death of his wife in 2010.

Three months after she suddenly vanished on an afternoon in April last year, Ms Bailey was found dead, alongside her dog Boris, beneath the couple’s garage.

The defendant, of Royston, Herts, denies murder, preventing a lawful burial, fraud and three counts of perverting the course of justice.

91mph speed gun jammer goes free

A MOTORIST who viewed speed limits as an “inconvenience” has been spared jail despite using a laser jamming device to avoid capture.

Ben Kitto, 41, who was travelling at 91mph at the time, got a suspended prison sentence at York Crown Court after pleading guilty to perverting the course of justice.

Judge Andrew Stubbs said it was only the fundraising father-of-two’s “exceptional character” that prevented from being jailed immediately.

He told Kitto: “For you it appears speed limits were an inconvenience.

Kitto, from Scarborough, was doing at 91mph on the A64 in North Yorkshire on June 30 last year. He slowed down to 53mph after the device in his BMW sounded an alarm as it jammed a police speed gun.

PHYSIO GROPED PATIENT’S BUM

A PHYSIOTHERAPIST who groped a female patient has been banned from the profession.

Leith Brown, 61, rubbed the side of the woman›s breasts and “the whole of her bottom” at Physiolink clinic in Harrow, London, in August 2015.

The woman, Patient A, came to Brown suffering with severe pain in her neck, shoulders and upper back.

During her second visit New Zealander Brown touched the side of her breasts before moving on to her bottom.

Six months before he groped Patient A he was handed a caution order by after having an affair with a different female patient while employed at the Hospital of St John and St Elizabeth, a private hospital which has previously treated Gwyneth Paltrow, Kate Winslet, Jerry Hall and Kate Moss.

Brown seduced the married patient, romping with her in her home as her husband slept in the same house.

A Health and Care Professionals Council conduct panel found he inappropriately touched Patient A and his actions to be sexually motivated and he was struck off.

I KNOW WHO KILLED JILL DANDO!

...but cop says witness is too scared to reveal name

NEW INFO: Journalist and former policeman Williams-Thomas

By COLIN HURST
news@sundaysport.co.uk

A HITMAN has claimed he knows who was behind the murder of BBC *Crimewatch* presenter Jill Dando almost 18 years ago – but won't reveal who it is for fear of being killed himself.

On ITV's *This Morning* programme on Tuesday, the anonymous gunman gave his take on the notorious murder to investigative journalist and former police officer Mark Williams-Thomas.

The journo has uncovered new information on Jill's killing and is urging the Metropolitan Police to look again at the unsolved case.

Jill Dando was gunned down outside her home in Fulham London, on April 26, 1999.

The 37-year-old's body was discovered by her neighbour. She'd been killed by a single shot to her temple.

Local Barry George was convicted and jailed for her murder in 2001 on forensic evidence from gun residue. The evidence was later found to be wrong and he was acquitted eight years later.

ACCUSED: George and paedo Savile

Speaking to Williams-Thomas on the show, the hitman, who is one of 100 suspects on a list compiled by police that was never followed up, said he had "no doubt in [his] mind" that Jill Dando was murdered by a "professional killer".

He said: "It was a professional. No doubt about it. The person still at large is dangerous."

Suspects

When asked about the other suspects he said: "One particular name stands out to me but I won't identify that person because he is very dangerous. If I said who it was they would come after me."

After going through the police files on Jill's murder, Williams-Thomas – who's earlier probe led to the umasking of paedo Jimmy Savile – claims there are new pieces of information the Met now needs to look at.

He claims that cops ordered two "offender profiles" during their initial investigation to try and put together a picture of who might have done the deed.

But he alleges police also asked for a third profile after charging Barry George. When his legal team asked to see the profiles he claims the Crown Prosecution Service said they "never existed".

The reporter also says there is a list of 100 potential suspects that was never properly "followed up" because Barry George was on trial for the murder.

Speaking to Phillip Schofield and Holly Willoughby on Tuesday, Williams-Thomas said the Met Police had thanked him for his report and said it would "take on board the new info and act on it".

A spokesman said: "The MPS would welcome any new information or evidence that relates to the murder of Jill Dando, a case which remains unsolved."

And it's not just a neat front-bum that gets Stephen in the mood, he also admitted that he prefers his lovers to have a bald BUMHOLE too.

When asked what he looks for in a potential girlfriend, the *Ex on the Beach* womaniser said: "She can't have a hairy fanny.

"It's 2017, there's no excuse. The Hollywood.

"Shaved bumhole. Everything gone, smelling lovely."

Stephen might be about to get lucky in the love department as he has signed up for series two of *Celebs Go Dating*, alongside *TOWIE*'s Ferne McCann and former *Hollyoaks* star Jorgie Porter.

Aldi is now UK's 5th biggest supermarket

GERMAN-OWNED Aldi has overtaken the Co-op as Britain's fifth biggest supermarket.

Aldi's sales rose 12.4% year-on-year in the 12 weeks to January 29, taking its market share to 6.2% and ahead of the Co-op's 6%, according to research firm Kantar Worldpanel.

It underlines the challenge the big retailers have already faced from discounters such as Aldi and its German rival Lidl.

Meanwhile sales at Lidl rose 9.4%, taking its market share to 4.5%.

Fraser McKevitt, head of retail and consumer insight at Kantar, said: "Underpinned by an extensive programme of store openings, the past quarter has seen Aldi attract 826,000 more shoppers than during the same period last year."

In 2007, Aldi was only Britain's 10th largest food retailer.

THOUSANDS TO PERISH IN ICY DEATH BLAST

WARNING: Dr Thomas Waite

THOUSANDS will die in the next week because of the freezing cold, say public health bosses.

The government has issued a warning as a -15C three-week killer chill starts, with Britain colder than the Arctic – thanks to a 1,500-mile wide 'Scandinavian shiver' air mass.

An England-wide Level 2 Government cold weather health warning is in place until at least Saturday, for the 80% risk of temperatures averaging below 2C for 48 hours or longer.

The alert ordered hospitals to prepare for an increase in demand and told health staff to prepare to make daily visits or phone calls to the elderly, ill and vulnerable.

Hundreds more cold weather deaths are feared – after 1,023 more deaths than average were recorded in the week temperatures hit -5C in January, Office of National Statistics data showed.

Dr Thomas Waite, of Public Health England's extreme events team, said: "Thousands die because of exposure to cold weather."

And Nottinghamshire public health director Barbara Brady said: "Deaths rise dramatically during cold weather.

"The effects of cold can be severe."

Meanwhile Dr Angie Bone, of Public Health England's extreme events team, said: "Keep your home heated to 18C, keep yourself warm by keeping active and wearing lots of thin layers of clothing, and don't delay visiting the pharmacist for minor ailments."

Met Office forecaster Craig Snell explained: "Temperatures will start falling, particularly so by Friday, with the snow risk increasing."

ED SHEERAN'S SHOCK CLAIM:

Elton John wants to RIM me!

POP sensation Ed Sheeran says that musical legend Sir Elton John wants to lick his bumhole!

Ed's shocking revelation came when he was discussing his new heavily-tattooed look and he shockingly confessed that Elt is always asking him to SIT ON HIS FACE.

The pair became close friends a few years ago but it seems Elton could be keen on taking things a little further.

Bare

Hitmaker Ed, 25, was asked about his 60 pieces of body art and whether he'd rather have Elton or Taylor Swift inked on his bare bum.

He replied: "I reckon Elton's face – because he's always asking me to sit on it. He f**king does! I'm not even joking!

"There are lots of pinch-me moments in my career, and I think the way you don't turn yourself insane is to just roll with them and don't think about them too much.

"But obviously, it's weird being able to call Elton a friend."

Record breaker Ed dropped two new catchy tunes about a month ago after a year-long break from the music industry.

Both of the hits bagged number one and two slots in the charts, making Ed the first artist in history to have ever had two debut singles occupy the two top spots on their debut.

Fans of the solo performer will be pleased to know his third album, *Divide*, will be released on March 3, with Ed promising that it's his "best work to date".

TOWIE BABE'S MAN 'RAN DRUG GANG'

LOVERS: Harris and TV reality star Cara Kilbey

Mastermind behind multi million pound deals, court is told

By COLIN HURST
news@sundaysport.co.uk

***TOWIE* star Cara Kilbey's boyfriend made "vast profits" as boss of a "sophisticated" criminal gang dealing in millions of pounds of cocaine, a court heard.**

Daniel Harris, 33, from Theydon Bois, Essex, was allegedly behind a three-and-a-half year plot to deliver the Class A drugs around London on specially adapted mopeds.

These were "mocked up" to make the couriers look "inconspicuous" by disguising them as trainee black cab drivers learning "the knowledge", jurors at the Old Bailey were told.

Bugging

A "snapshot" of the operation provided by decrypted messages showed a turnover of 45kg of cocaine worth more than £1.4million in just three weeks, the court heard.

The alleged conspiracy ran from September 2012 until March 2016 when police swooped to arrest the gang after bugging their lock-up.

Trial prosecutor Peter Clement described Harris as the "gang leader of the sophisticated, long-running criminal operation" which supplied cocaine "top to bottom".

He told jurors there was no dispute the conspiracy to supply cocaine existed, as others had already pleaded guilty to their part.

Mr Clement said: "The prosecution say that this defendant was the principal of that organised crime gang. An organiser. A leader.

"Their motive was simple – money. Of course, by keeping it in-house they stood to maximise their profits, cutting out third parties, middle men."

Unemployed Harris was implicated through police surveillance, phone data and electronic devices, including specially encrypted BlackBerrys.

His "lifestyle" also pointed to his involvement as well as the fact that "cash and lots of it" was stashed at his home, Mr Clement said.

The court heard Harris never got his "hands dirty" and kept the supply of cocaine at "arms length".

Harris denies conspiracy to supply cocaine, as well as a separate plot to supply heroin in May 2015 and having criminal property in the form of bank notes.

Shifty women 'less fertile'

SHIFT work and physically demanding jobs have been linked to lowered fertility among women, a new study suggests.

Working outside of normal office hours and hard labour may lower a woman's ability to conceive, say researchers.

The U.S. boffins' study examined 473 women at one fertility clinic.

A team of US researchers tested the women's ovarian reserve – the number of remaining eggs – and their levels of fertility hormones. They found that women with heavy jobs had a lower reserve of eggs, and the difference was even greater among women working shifts.

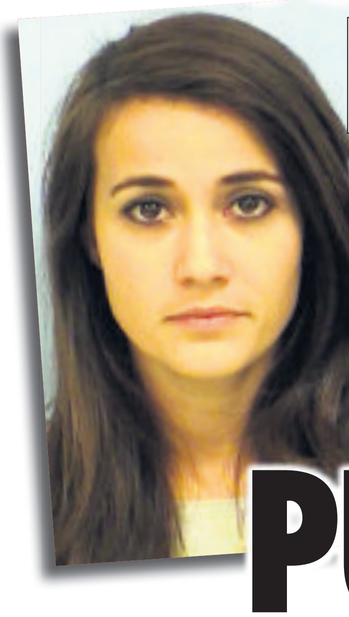
TWO MUCKY MISS EXCLUSIVES

SCHOOL MISS HAD SEX WITH TWO PUPILS

She beds lad then moves on to another



PUPIL SHAGGER: Wey had it off with student teenagers

By JESS GALLEY jess@sundaysport.co.uk

A SCHOOL Miss was caught having an affair with a pupil – after cheating on him with another teen.

Haeli Noelle Wey met the first boy at a Christian student's group and started bonking the 17-year-old when she was invited to accompany his family on a trip to Africa.

After returning from the trip Wey shagged the lad at least 10 more times, before he called time on their affair when she moved on to another teenager, also 17.

Fling

The disgraced teacher and the second lad apparently had sex after going on a hike together and, when word got out, the first boy came clean to his parents about his fling with the 28-year-old.

Wey, who taught Maths at Westlake High School, in Austin, Texas, pleaded guilty to two counts of having improper relations with a student.

A school spokesman said: "Inappropriate communication and relationships involving teachers and students is unacceptable and, as in this case, against the law.

"We trust that the justice system, with our continued cooperation, will reinforce this message."

In exchange for her guilty plea, prosecutors have recommended that Wey be handed 10 years of probation. She will also not have to sign the sex offenders' register.

The students were 17, which is the age of consent in Texas, but state law says it's always illegal for teachers and students to have sex.

Wey is due to be sentenced next month.

TEACHER 'TOO DRUNK' TO REMEMBER BONKING TEEN

A SCHOOL footie coach has admitted SHAGGING a teenage boy but claimed she was too DRUNK to remember it.

Rebecca Lee Noonan (*right*) pleaded guilty to having sex with a 13-year-old boy in his bedroom while his mum was away.

Noonan, 33, seduced the lad by climbing into his bed naked, before bonking him – and then begging the teen to keep their romp a secret.

The court also heard Noonan was a friend of the family and had known the boy's mum for a long time.

Despite confessing to the crime, the ex-teacher is trying to avoid jail by claiming she was "so drunk" at the time of the encounter that she couldn't remember it.

She said: "I was so drunk or so under the influence of drugs or medicine that I did not know what I was doing at the time of the crime."

Noonan, a former head coach at Champlin Park High School, in Minnesota, had her contract terminated after she was charged with sexual misconduct.

She agreed to plead guilty to sexual misconduct over the encounter with the possibility that the case will later be dismissed.

Her plea deal means her case will be dismissed if she meets all requirements after sentencing.

She is set to undergo a psycho-sexual evaluation before being sentenced in April.

Deputy head 'got drunk teen to grope him in park'

A DEPUTY head got a 16-year-old girl drunk in a park before getting her to grope him "sexually", a disciplinary hearing was told.

Jonathan Norbury, 35, allegedly got the teen to strip naked before "making her" walk home in the early hours of the morning.

A hearing was told Norbury accepted the open-air sex session with the girl but said she was over 18 and a "willing participant."

Case Presenter Cadi Dewi asked Norbury: "Taking her into the woods when she was just 16, getting her drunk on alcohol, taking her clothes off, engaging in sexual touching then making her walk home at midnight – would you say this is unacceptable professional misconduct?"

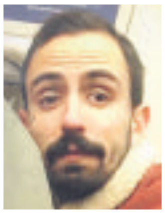
Norbury, who faces six allegations relating to three teenage girls, said: "If she was under 18, yes. But she was over the age of 18."

Dad-of-three Norbury added: "She was a willing participant. There was no force."

Norbury told the Education Workforce Council hearing in Cardiff he'd been in a short-term relationship with the girl before it "fizzled out."

Norbury, of Swansea, denies he had sexual contact with the three girls between 2005 and 2008 while they were underage.

Hearing adjourned.



Woman who begs Tube sex pair to stop is attacked

A WOMAN was attacked on a Tube train after she confronted a couple who were SHAGGING.

The victim asked them to stop having sex on the Northern Line train at Kennington.

The man stopped what he was doing, stood up and became aggressive towards her.

He then spat at the woman and pushed her.

British Transport Police have released the above image of a man they want to speak to in connection with the incident.

PC Suleman Yazdani said: "This is highly inappropriate behaviour – the woman was simply asking this couple to stop. There was no need for aggression.

"If you were on that train or saw anybody acting suspiciously I would urge you to contact us as soon as possible.

"Any information could be vital to our investigation."

Woman used antifreeze to kill husband

A WIFE has admitted murdering her husband of 21 years by lacing his steroid injections with antifreeze.

Jamie Baker, 47, had denied murdering her weightlifter husband James D Baker II, 42, after he collapsed in their bedroom on September 16, 2013.

But an investigation found that he had been slowly killed with ethylene glycol – a substance found in antifreeze – and Baker confessed her guilt.

An autopsy found ethylene glycol inside the kidneys. In small doses, it crystallizes inside the organs, eventually causing death.

Bottles of steroids discovered at the scene were found to contain the substance.

Jamie Baker (*above*) admitted she had used a hypodermic needle to drain a container of antifreeze in their garage and inject the bottles with it.

She gave police no reason for the killing as she admitted murder in Dover, Delaware.

She faces 15 years to life when sentenced next month.

Home sex movie hacker is jailed

AN internet hacker has been jailed for sending a woman's homemade sex film to 23 of her friends.

Ryan Davies, 43, found the saucy movie in her emails and then sent it to her contacts list.

A court heard she was "mortified" when shocked pals questioned her about the X-rated film.

The unnamed woman only found out about the hack when her mates got in touch to ask why she'd sent them the clip.

Swansea Crown Court heard she was left "totally humiliated and mortified" and considered moving away.

Davies, from Milford Haven, West Wales, also kept a copy of the mobile phone movie of her romping with a man.

He was sentenced to one year and nine months in prison, and given an indefinite restraining order banning him from contacting his victim.

SHE MAY HAVE REFUSED TO JUMP, BUT WHEN IT COMES TO SEX JOSIE GIBSON HOLDS NOTHING BACK

I love porn and sex toys!

THE JUMP

EXCLUSIVE INTERVIEW

SCARED STIFFIE: Josie on *The Jump*

By BECCA STUBBS
becca@sundaysport.co.uk

REALITY telly star Josie Gibson has revealed she loves to watch PORN and has splashed out on kinky SEX TOYS.

Josie, 32, was the first to be booted off Channel 4's *The Jump* when she refused to take part in the elimination challenge, the ski jump.

But despite her early exit, Josie has never been shy in the bedroom.

The busty blonde shot to fame when she was crowned the winner of *Big Brother* in 2010 but it was her *Celebrity Big Brother* stint which sealed her status after she flashed her boobs.

She's also opened up when discussing her naughty habits behind closed doors.

Curvy Josie previously confessed that she loves hardcore porn and admits she gets some tips from theon-screen antics.

She said: "My advice to spice up your sex life? Watch a bit of porn!

Knobs

"They know how to do it, don't they? They've done it loads of times."

Josie embarked on an in-house romance with her fellow housemate John James Parton in 2010's *Big Brother*.

And although the pair never bonked on screen, she says she "can't stop thinking about knobs".

Her on-off relationship with ex-fiancé Luke Sanwo has kept Josie in the spotlight, as has her prolific yo-yo dieting.

But even now that she is single, Josie will still be satisfied thanks to her collection of kinky sex toys.

Josie explained: "I spent £90 on a vibrator. It's brilliant. Sex toys are very important. Everyone should use them."

But she recently said she's lonely and feels like a "born again virgin" despite the hours of self-loving she's been putting in.

She said: "I've spent so much time on my own, I'm worried that I won't ever be able to be with anyone again.

"The thought of even kissing someone makes me nervous. I'm like a born again virgin."

Big-boobed Josie was eliminated in the final moments of *The Jump* on Sunday, and was seen looking distressed as she stared down the steep slope before deciding it was too much.

Viewers were divided over her decision, with some blasting her for her refusal.

The Jump continues, at 7.30pm on Sunday on Channel 4.

Warwick: My blacked-up family shock

ACTOR Warwick Davis was horrified to learn his ancestors BLACKED-UP and sang offensive songs about race.

The Hollywood star delved into his family history and found out his relatives performed in crude variety shows.

Warwick, 47, said: "My great-great grandfather, Dennis Manning, was a violinist in Pell's American Opera Troupe.

"They performed variety shows. They presented bawdy, and at times rather demeaning, parodies of African American songs.

"And, unfortunately, they blacked-up on stage. It was a shock when I discovered that side of the troupe's act and I was slightly horrified."

The *Star Wars* and *Harry Potter* actor swapped the big screen for the small screen when he made the shock find, on BBC fact-finding show, *Who Do You Think You Are?* which shows a number of high-profile celebs researching their family history.

Fact me!

THERE are 40 billion bacteria in one gram of shit.

UK meth arrests up after Breaking Bad

THERE has been a huge year-on-year rise in the number of people arrested in connection with crystal meth since *Breaking Bad* first hit our screens in 2008.

Despite addictive methamphetamine being widely used in America – with more than 1.2 million users – it is not a well used drug in the UK.

But since the hit TV show – starring Bryan Cranston as chemistry teacher Walter White – aired in Britain there has been a year-on-year rise in the number of crystal meth arrests in London.

According to statistics revealed in a Freedom of Information request to the Met Police, the number of people arrested in connection with the Class A drug has soared in the past nine years.

In 2007, there was just one arrest in London, but in 2015, the number of arrests soared to 57.

TEEN TELLY BABE BELLA SHOWS OFF NIPPLE RING

BUSTY beauty Bella Thorne donned a sheer top and showed off her kinky nipple piercing in a racy Snapchat selfie.

The 19-year-old seems keen to distance herself from her child-star past and has been posting a series of saucy snaps in recent weeks.

Former Disney star Bella starred in a number of Disney films and TV shows but her sexed-up image is a far cry from those days.

Not only did she reveal her pierced nip in her tight crop top, she also showed off her impressive abs in her latest sultry social media post.

HORSE SEX PERV JAILED

SICKO: Horse shagger Julian Ridgeway

4 years for sick romp in stable

By COLIN HURST
news@sundaysport.co.uk

A SICK sex monster who shagged a horse in a stable near his home has been caged.

Julian Mark Ridgeway, 54, got four years in prison with a further six years on licence as the judge told him it was clear he was not prepared to confront his "deviant sexual history."

Ridgeway was convicted by of trespassing at an outbuilding in Netherton, Wakefield, with intent to commit a sexual offence on May 10, last year and of intercourse with an animal between April 18 to May 10.

The court heard he was seen leading the mare, Honey, from her stable by her owners who were keeping watch as they were suspicious something was going on.

They challenged Ridgeway who ran off but semen was found matching his DNA, indicating sex on a previous occasion.

Position

At Leeds Crown Court Recorder Paul Greaney said that in 1990 Ridgeway was caught in a compromising position naked from the waist down washing a pony's bottom by her owner and had choked her "within an inch of her life" to silence her.

He was convicted in 1991 of attempting to murder her and jailed for eight years.

Mr Justice Jowett said then: "You were about to behave in a disgusting manner with the pony."

In the recent trial Ridgeway said he had no sexual fascination with horses and denied sex with Honey.

But Recorder Greaney said: "I am satisfied that you have a deep seated sexual interest in horses. There is a very high risk you will seek to have sex with a horse or pony in the future."

Emily LEIGH

By JESS GALLEY
jess@sundaysport.co.uk

STUNNING Emily Leigh thanks SHAGGING for her incredible figure.

Horny Emily, who boasts a jaw-dropping pair of 34Gs, says the key to her sexy curves lies in the bedroom.

The 22-year-old scorcher, from Basildon, Essex, has starred in countless X-rated movies and she reckons her rampant bonking keeps her in great shape.

Sweaty

She said: “It’s scientifically proven that sex burns calories and what better way to workout than by getting sweaty between the sheets!

“All that bouncing up and down definitely keeps me in good nick.

“And at the end of the day, having sex is way more exciting than just going to a spin class.”

'Farting passengers made me speed' taxi driver told cops...

STEP ON THE GAS!

A CABBIE blamed FARTING passengers for his speeding.

Police stopped a taxi driver over the weekend because he was speeding around town.

And he laid the blame with his stinky farts.

Dorset traffic police shared the bizarre excuse for speeding on their Facebook page.

By BECCA STUBBS
becca@sundaysport.co.uk

Excuses

They said: "Just when you thought you've heard it all – two excuses from this evening that didn't work. A taxi driver failed to notice the large marked traffic car in his rear view mirror when speeding through Bournemouth town.

"When stopped, the driver blamed it on the flatulence from his three paying passengers for the reason he sped."

Unimpressed by his somewhat inventive excuse, officers gave him a speeding ticket and explained he would be fined £100 and given three points.

It seems Dorset Police were busy on Friday evening as they had another bloke who gave them a daft excuse.

One driver, distracted by his mobile, drove through a no-entry area and down the entire length of a one-way street the WRONG way.

He claimed he was in the process of answering his phone and panicked – when he saw the police so turned down the first road he came to.

Foiled by long neck of the law

A GROUP of giraffes floored an alleged shoplifter when they saw him fleeing from a store's security guards in Brixton, south London.

One of the wild troop was 29-year-old off-duty policeman Ben Perkins, who was dressed as a giraffe for a bar crawl across the city.

However, their drinking was temporarily cut short when Ben and his group of mates, who were all dressed as giraffes, stuck their necks out and pinned the alleged thief to the pavement.

Scotland Yard confirmed a man had been arrested on suspicion of theft and enquiries are ongoing.

None of the 'giraffes' were injured.

Naked stalker hauled to jail after struggle

A WOMAN was dragged out of her house NAKED and taken to jail when she refused to cooperate with police.

Kim Larman, 53, had a strop when cops turned up at her house to issue an arrest warrant.

She had violated an injunction on a prior stalking case and was told she must go with officers to prison.

Larman responded with an expletive before declaring that she 'wasn't going anywhere'.

She tried to shut the door before running into her bedroom in a bid to avoid arrest.

When Monroe County officers asked Larman if she had any weapons in the house, she responded: "If I had a gun, I would shoot you and kill you."

Larman *(above)* then charged at the officers and shoved one backwards, resulting in a struggle and her eventual arrest.

Despite being totally naked, police covered her with a blanket and took her to jail after arresting her in Key Largo, Florida.

Fact me!

DOGS can smell their owners from 11 miles away.

Cold meal bleater shoots boyfriend

POLICE were called to a shooting caused by a COLD takeaway meal.

An angry customer pulled out a gun and threatened a food server after he refused to re-heat her order when she complained it wasn't warm enough.

The irate woman ignored her boyfriend's pleas to calm down and brandished the weapon, before shooting him.

Officers arrived at the taco truck, in Houston, Texas, at around 2am after shots were fired and found the boyfriend suffering from a bullet wound.

The victim is expected to survive and police said it isn't clear if the woman shot him accidentally or whether it was intentional.

The woman was arrested, but there is no surveillance footage to prove what happened.

Fancy a MILF?

...THEN YOU'D BETTER BE OVER 30, STUDY SHOWS

STILL GOT IT: Lorraine

YOUNGER blokes might fantasise about SHAGGING older women but according to new research, women prefer older men.

A study shows that while fellas love the idea of bedding a 'cougar', ladies prefer their men to be a little older.

But if you're looking to bed a fit MILF like TV's Lorraine Kelly, 57, you might be in luck – as once women reach the age of 35, they would consider bonking a younger chap.

By BECCA STUBBS
becca@sundaysport.co.uk

Blokes questioned in the poll also preferred hot younger women but very few have ever acted on their fantasies.

Limits

Researchers from Abo Akademi University in Finland surveyed 2,655 men and women aged 18-50 on their partners and what age limits they would consider.

Men said the youngest partner they'd consider bonking would be 21 and the maximum age gap would be 16 years.

Although women were a little less flexible, those aged 35 and over wouldn't say no to a sex session with a bloke eight years younger.

Dr Jan Antfolk said: "Men, more than women, maintain an interest in younger partners.

"Most men and women are sexually interested in partners their own age throughout life."

TINIE'S CUP OF TEA

BRIT rap star Tinie Tempah, 28, revealed he has been given a lifetime supply of Yorkshire tea – after saying in a mag interview that he loved the early-morning brew.

FOIL ON THE HILL

MEDIUM Christine Hamlett, 60, claims to have seen the ghosts of dead Beatles John Lennon and George Harrison appear on a piece of silver foil at her home in Northwich, Cheshire.

Linsey Dawn McKenzie

SHE'S BRITAIN'S ONLY TOPLESS COLUMNIST

WHAT has happened to David Beckham is absolutely out of order!

He has been tarred with such a bad brush because of the messages that have been leaked – but what people need to remember is that they have all been taken completely out of context and have probably been edited to make him sound even worse.

Harm

I mean, who hasn't had a whinge and a moan to their friends and family when they've been disappointed or had a bad day?

Those messages weren't meant to be seen by the public – he's only human at the end of the day.

Becks has done a lot for charity over the years and, if you ask me, he really does deserve to be knighted.

Compared to Andy Murray, Beckham has given so much more back to people and done a lot of work for charity and the sport during his career.

While the current situation isn't ideal for him, I don't think it will harm him too much in the long run – the Beckham brand is far too strong for that!

STRONG BRAND: The Beckhams

What Price fame?

KATIE Price cashed in on the story about her and Simon Cowell from last week's papers by giving a big tell-all interview.

I don't blame her – she's taken control of a bad situation.

But what does annoy me is why is she still not being labelled as a kiss-and-tell girl?

How many blokes has she gone to the papers about over the years yet she still has this title of 'glamour model' or 'businesswoman' – it's ridiculous.

Back in the day I was labelled the 'kiss-and-tell girl' and I hadn't earned a penny from dishing the dirt about my love life.

When I was caught out with Dean Holdsworth I was a young girl under the impression she was in a normal relationship with a footballer.

Things were different then – you couldn't just check someone's whole life story on Google or Facebook, and I had no idea he was a married man.

I was followed by paps and when the story came out in the papers I was brandished, and the stigma of that label stuck with me for years.

So why, after clearly profiting from yet another story, isn't Katie getting the same treatment?!

I TOLD you last week that Coleen Nolan would win *Celebrity Big Brother* and – as usual – I was 100% spot on!

I know I keep saying it, but I really should start putting bets on, instead of simply writing my predictions here. I would have made a fortune by now with all the winners I've predicted correctly!

I really enjoyed this series, but I am glad to see the back of Kim Woodburn for a while.

She did make great TV, but what a nasty woman!

Some of the things she said were way below the belt – especially when she called out Nicola McLean for being a glamour model who's only famous for flashing her knockers.

Sorry Kim, but aren't you famous for cleaning other people's shit out of the toilet?!

If I was in that house not only would I have given her a piece of my mind, I would have left her a treat in the loo… that'd teach her!

Her men are Kylie unpleasant!

When is Kylie Minogue going to learn that what comes around, goes around?

When she met Joshua Sasse he was married and still wearing his wedding ring, but she went ahead and dated him anyway.

So she can't suddenly be surprised now that he's allegedly been getting close to another woman.

He has form at the end of the day, and leopards don't change their spots I'm afraid.

I do feel really sorry for her though, as she just can't seem to get out of the cycle of picking guys who are totally wrong for her.

Kylie has had a string of bad break-ups and that stress really isn't good for you, especially when you've battled something as awful as cancer, like she has.

Maybe she should give Reiki a go – it could help her get rid of all that bad energy which keeps drawing her to these bad boys.

HONEY G: I'M GONNA MARRY BRAD PITT!

LOOKING FOR LOVE: Honey G wants to bag Brad

X FACTOR star Honey G is determined to marry an A-List celebrity – and has her eyes on Hollywood heart-throb Brad Pitt.

The rapper shot to fame on the last series of the ITV talent show and, despite flopping since it finished, Honey reckons she can still bag herself a famous hunk.

The wannabe chart-topper isn't content with just any celeb male either, as she's looking to sink her claws into the divorced actor, 53.

By BECCA STUBBS
becca@sundaysport.co.uk

Honey G – real name Anna Gilford – said she sacrificed her normal life for her on-stage persona and now wants to find happiness.

Paired

She added: "I made a sacrifice because I want to become a global rap star and sell millions of records.

"I've had to change my life since *The X Factor* because I get mobbed or stopped for selfies when I go out. It's part and parcel of being Honey G and being in the public eye.

"I am looking for love at the moment. I'm interested in being paired off with an A-list celeb. I want to settle down, get married and have kids."

And a source close to Honey G said: "Honey G loved Brad in *Fight Club* and she's had a thing for him ever since.

"Now she's hitting the big time and Brad's back on the market, Honey G thinks she'll be able to nab him.

"Imagine if the 'joke act' on *The X Factor* started banging one of the world's most famous actors – Angelina Jolie would be seething!"

Honey G is currently touring with *The X Factor* Live Tour.

Jealous ex in kidnap and knife terror

A CRAZY ex-girlfriend KIDNAPPED her former lover's new squeeze and threatened to kill her with a knife.

Laura Bauler, 51, saw red when her ex-boyfriend began dating someone new and decided to take extreme action.

In a jealous rage, she barged inside the new girlfriend's home while she was asleep and forced her out of bed at knifepoint.

She tied her up and drove her to a nearby hotel, where she gagged her and threw her in the closet.

Monroe County Sheriff's office also state that Bauler forced the woman into a bathtub and made her strip naked and walk outside.

Bauler *(above)* fled the scene and a couple staying at the hotel got her victim to safety in their room.

Bauler was later caught and arrested by police in Florida Keys and remains in the county jail.

Her long list of violent charges include aggravated assault with a deadly weapon, burglary, kidnapping and battery.

Woman dies in charity box

A WOMAN has died after getting her arm caught in a clothing donation drop-off box.

Judith Permar, 56, suffered a combination of trauma injuries as well as hypothermia in the accident, a coroner said.

Ms Permar, from Mount Carmel, Pennsylvania, used a stool to reach into the bin and her left arm became stuck when the stool collapsed. She broke her left arm and wrist and could not get free and her feet could not touch the ground.

Investigators believe Ms Permar – who was described as short – went to the charity drop-off at about 2am on Sunday.

She was found dead more than six hours later.

The drop box is located along a remote stretch of highway in Natalie, a tiny village.

Verdict: Accident.

Copper shags TWO WPCs on ONE night shift

APPALLED: Sheriff Bob Gualtieri (*below*) fired Deputy Scott Nichols after learning of his flings on duty

By JESS GALLEY
jess@sundaysport.co.uk

A RANDY police officer was sacked after BONKING two female officers while he was on duty.

Scott Nichols lost his job after bosses uncovered his steamy flings with the pair of married female colleagues, as well as other inappropriate behaviour.

Despite being married himself, the 32-year-old met one of the women, Deputy Ashley Wheatley, in an empty room at the Pinellas County Jail, in Florida, on several occasions.

And CCTV footage showed the couple would sometimes sneak off for up to an hour at a time, while they were both on the clock.

A police source said: "It was no secret among the staff what Nichols was getting up to – everyone knew that if you couldn't find him, he was probably going at it in one of the spare rooms.

Suspension

"Sometimes it would be more than once during his shift!"

Nichols was initially demoted from the rank of Corporal to Deputy and handed a lengthy suspension, before being fired by Sheriff Bob Gualtieri *(left)* after it emerged he let his staff sleep at work.

Gualtieri said: "It was appalling and very disappointing.

"The sleeping is a big deal. They shouldn't be sleeping.

"They're getting paid to do a job – they need to do the job.

"Given the totality of this and his overall conduct, he doesn't need to work here anymore."

After the affairs were uncovered, investigators then found pictures and video footage on Nichols's mobile phone showing other officers' misconduct, under the watchful eye of Nichols.

One of the photos showed a deputy lying on the ground after being 'choked out' by another colleague.

He even sent the incriminating evidence to his superior officer, Sgt Michael Smith, who was also suspended for 56 hours after failing to intervene.

Over the course of several months, Nichols was found to have allowed eight detention deputies to play games, sleep and wrestle on the job.

BUSTY Brandy Robbins says she loves living in the UK because we're a nation obsessed with HUGE NORKS.

By JESS GALLEY jess@sundaysport.co.uk

The 31-year-old stunna, who lives in Manchester, moved here from the States a few years back.

And she has no plans to head back across the pond, as she can't get enough of our naughty ways.

Brandy, originally from New Jersey, boasts a whopping set of 30G melons – but you'll be amazed to learn not everyone is attracted to her big boobs.

She revealed that lots of her fellow Yanks look away in embarrassment when they set eyes on them!

She said: "I love it over here. In America, everyone is so prudish and are embarrassed when they meet me because of my boobs.

"Here, people just bring it up, saying stuff like 'By 'eck, look at the knockers on you!'

"I love it!"

Bonking babes are hitting sexual peak at 33

Amy Llewelyn
Age 22, 34DD-24-36 from Manchester

IF you thought younger women were more likely to be up for a romp, then think again...it's 30-year-olds who are in their sexual PRIME.

By BECCA STUBBS
becca@sundaysport.co.uk

A new study by experts at the Kinsey Institute in America claims that when women hit the age of 33 their sexual appetite is at its peak.

The scientists, based at Indiana University, say that women find their love lives most fulfilling at 33 and their sex lives are better than ever.

Some women even claimed to get their kicks with 365 steamy shags, bonking every single day of the year.

The survey results also showed that women experience a higher libido as they've racked up plenty of notches on their bedposts.

One in three of the women surveyed said they were much more confident between the sheets as they approached their forties.

Women involved in the study also revealed they'd had eight shagging partners before they got married. But FOUR of their former partners were kinky one-night stands and it seems they weren't satisfied with their former sex lives.

And three-quarters wished they'd had a more varied and experimental sex life before settling down with hubby.

Horny

Women hit their sexual peak in their mid-thirties, so you fellas should be in luck as they might be ready to spice things up in the bedroom.

We asked *Midweek Sport* stunna Amy Llewelyn, 22, from Manchester, what she thought of the survey results.

She said: "If women don't hit their sexual peak until 33, then I've got eleven years to wait and I love having sex.

"I can't get enough of sex so, if this is right, I'm going to be so horny when I'm 30 because I can't stop now.

"I've shagged men and women and, to be honest, I'm not sure which I prefer – maybe both at the same time?

"Sex is the key to many relationships and I was always wary of not getting enough to satisfy me as I got older.

'I love the surprise of what's to come when I am tied up and blindfolded'

MY SEX FANTASY ...WITH MILLIE FENTON

By HAZEL GROVE
news@sundaysport.co.uk

SMOKIN' Millie Fenton has more in common with Kim Kardashian than just sexy curves.

Because the gorgeous 32DD model has also starred in her own saucy SEX TAPE.

And while Kim's X-rated on-screen performance helped make her a global superstar, Millie is hoping her blue movie stays out of the public eye.

The 23-year-old blonde beauty, from Biddulph, Staffordshire, said: "I made a naughty movie many years ago with an ex.

"It was really hot, both filming it and watching it back.

"It makes you want round two. It makes you feel like a naughty porn star!"

Millie says she loves indulging in a spot of role play too.

Kinky

She added: "I love dressing up. I have a kinky maid uniform, which is my favourite.

"I like to get into role play while wearing it. You have to drop your feather duster and bend over to pick it up!

"I've been tied up and blindfolded – that was hot.

"I love the element of surprise and not knowing what's coming next.

"I'm more dominant usually, but I like to switch it up every now and again too.

"It depends on the mood and also on the bloke I'm with.

"If I meet a really sexually dominant bloke who I fancy, I'm happy to let him take charge and have his wicked way!"

THE WORLD FAMOUS AGONY Page

Dear Sam,

THERE are several things I'd like to get off my chest, including my bra. I'm a 23-year-old nudist who enjoys activities such as gardening, rock climbing and volleyball – all without wearing clothes, of course.

One of my problems involves my 34DD free-standers, size 12 curves and shaven flowerpot.

The sight of me has caused quite an upturn – if you catch my drift – among fellow male nudists.

Their wives and partners are not happy at me being around as their eyes roam – and let's just say it's pretty obvious when their fellas like me!

The other thing is that I just love hard cock and I just can't resist it. I've had several good shagging sessions with some of the fellas there.

But now I'm in danger of being banned from my club. What should I do?

JT, Cumbria

Sam says…

YOU can't help the gifts that God gave you, but try to stick to the single fellas.

Dear Sam,

I WAS minding my own business at my local greasy spoon when I noticed a bird sat across from me with her legs spread and no knickers on under her skirt.

She was a decent looker and I could also see she had a big pair of knockers under her tight low-cut top.

She gave me a huge smile and after I'd scoffed my full English I went over and asked her if she lived nearby. She said she had a flat above the cafe and we went upstairs.

She told me she was gagging for a shag, so I pushed her skirt up and eased my rock-hard cock up her dripping hole.

I rode her for about 10 minutes and she screamed out an orgasm. Then she took my cock in her mouth and finished me off with a nosh.

But all that jigging about must have affected my tummy because I brought up my breakfast.

Do you think she'll see me again after that?

GT, Gloucs

Sam says…

MAYBE she will, but perhaps it would be best to tell her you'll be having a continental breakfast from now on.

I deserve a statue to honour my giant cock

Dear Sam,

I'VE got a gigantic penis that has seen great service over the years in many bedroom battles.

I believe it should be honoured in newsprint and perhaps even a statue erected to it.

My 12-inch missile of ecstasy has the circumference of a large cucumber and will never fire until the woman has raised her white flag.

My bed is barely holding together for all the notches I've carved on it and I fear that it won't survive another powerful pumping.

But never mind, because the latest taster on the horn of orgasm was happy for me to take her to heaven on top of the washing machine. This little lady was so carried away by my power and largesse that she allowed me to add to my collection of amateur porn vids.

I now have a collection of over 400 different women who have allowed me to film them being rogered on my mobile.

I read somewhere that the fella out of rock group Kiss was the world's greatest shagger – with over 4,000 women.

But I, the great Sir Porkalot, am a lowly florist and I've serviced twice that number.

When will I be recognised?

GT, via email

Sam says…

TRY the Guinness Book of Records.

Filthy orgy left me sore and drained

Dear Sam,

IT'S something I've long dreamed about and I can't believe it finally happened – but I've got the sore dick to prove it.

I'm a 28-year-old joiner and was out having a few pints in my local the other night when a randy older couple I know said they were having an orgy back at their place and would I like to join in.

I was really tempted but I told them it wouldn't be right for me to go behind my wife's back.

So they started telling me about the filthy stuff that goes on in their house and I could feel my trousers starting to bulge.

They were just about to leave when I suddenly felt my resistance drain away and I tagged along with them.

Sticky

And boy, what a good decision that turned out to be!

When I got to their flashy house, there were about 40 people there and the front room was full of flesh.

I saw one middle-aged lady with a cock in each hand, another in her mouth and an old fella slipping it to her from behind.

There was also a younger lady on the couch with her legs spread and a fella was getting his fingers sticky while another bloke was sucking her nips.

I was stiff as a board when the woman from the couple slid up next to me and put her hand on my cock.

She was naked and, by the feel of her dripping fanny, had already seen some action.

She led me over to the sofa, pulled my cock out and climbed on it and soon we were f**king like bunnies in front of everyone.

Then a woman of about 50 wandered over and started to lick my balls as I was pumping away.

I could feel my man juice beginning to surge and I pulled my throbbing dick out and shot the full load in her face.

After I'd recovered I porked her too and then spent the next few hours in all kinds of sex activities.

Finally, with one old girl sat on my face and another big-titted lady sucking my cock, I shot my last load.

I've been invited back next week and my missus – who found out what I'd been up to – wants to come with me.

Should I let her?

GT, Kent

Sam says...

WHY not? But make sure she knows what's she's getting into.

AGONY QUICKIES

Dear Sam,

OUR new neighbours are a right randy pair. I've seen and heard lots of shagging involving other couples.

I've even found a swingers website where they advertise for sex.

I'd like to get involved as the missus is a bit of a dried-up old hag.

Do you think it's wise or a bit close to home?

GT, Kent

Sam says...

IF you involve the missus as well, it should be OK.

Dear Sam,

MY boyfriend has told me that spunk is good for your skin.

I'm 23 and I do still get the odd pimple.

So every night last week I sucked his love missile until he shot his load all over my chops.

I wasn't too keen at first, but I soon got in the swing of things and really started to enjoy doing it.

The problem is, I'm as spotty as ever – but he's never been happier.

What do you reckon?

HR, Suffolk

Sam says...

IT can't do any harm.

SHOW ME THE HONEY!

WELCOME to the interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to *request@sundaysport.co.uk* telling us why you want to see your favourite girl, then sit back and let us do the rest.

NATASHA ANASTASIA

GORGEOUS Natasha Anastasia, from Newham, is one of the most common reader requests – so we thought it was about time we gave you guys what you asked for.

The 28-year-old belly dancer bared her perky 36Cs for this naughty St Trinian's shoot, which we're sure will go down a treat.

Natasha, who was born in Cyprus, isn't just a favourite with the fellas either, as she's romped with other women on plenty of occasions!

GEMMA MASSEY

KINKY Gemma Massey, 31, does it every time for law student Harry Nelson.

The 23-year-old lad is to thank for this steamy pic of 32G babe Gemma, from Tamworth.

Harry, from London, told us Gemma is his favourite *Sport* model and said her enormous boobs turn him on every time he catches a glimpse of them in the paper.

Well Harry, knock yourself out!

CARA STEELE

IT'S been a while since sexy Cara Steele appeared in the paper, so when cabbie Marc Daltry emailed to ask for a snap of the 27-year-old, we figured we couldn't say no.

Marc, 37, said the 32E scorcher, from St Albans, has everything he desires in a woman – he just hasn't been lucky enough to meet anyone like her yet!

He said: "I'm actually from Hertford, which isn't far from where the gorgeous Cara Steele is from, and every time a busty brunette gets in the back of my cab I always hope that it's her.

"She is absolutely out of this world. If only I could meet a 'Cara' of my own – or the real deal would do, of course."

Haven't seen your favourite model for a while? Drop us a note and we'll put her in the paper! Email request@sundaysport.co.uk

MIDDLE-AGED Brits are embarking on a sexual revolution as they experiment with kinky sex toys and take their bonking outdoors.

By BECCA STUBBS becca@sundaysport.co.uk

According to new research, Brits in their 40's, 50s and 60s are trying out different ways to spice up their sex lives and keep it fresh between the sheets.

Millions of kinky couples are introducing sex toys, al fresco romps, fantasies about shagging other folk and erotic role-play in a bid to have a satisfying sex life.

Of the 1,000 40-70 year olds questioned, more than a quarter said they'd used a sex toy for the first time after turning 40.

Romping

It's not just those in a relationship who are keen to turn up the heat either, as 16 per cent of people asked said they'v indulged in a one-night stand after hitting the big 4-0.

Perhaps bored with their current partner, 24 per cent of people surveyed said they'd fantasised about romping with someone else for the first time. Meanwhile, another 15 per cent took on the role of someone else in a saucy roleplay situation in the bedroom.

Not content in keeping their steamy actions to the home, more than 12 per cent of 40-70 year olds have taken their shagging skills outdoors to indulge in a little al fresco activity.

Relationship expert Dr Pam Spurr said that confidence is behind the new sense of midlife adventure.

She said: "General confidence rises at this age. You know your own mind and are prepared to ask for what you want.

"In your 30s you might be too shy to ask your partner to try something new but as you get older you are more comfortable.

"Sex shops are no longer seedy and tucked away. We can't underestimate the effect of *50 Shades of Grey* either.

"It brought out of the shadows the things we can have fun with, such as roleplay and domination."

A whopping third of the people questioned said they were enjoying the best sex of their lives and more than 40 per cent said their sex drives were even higher than when they were younger.

Despite common myths that older fellas need to pop a blue pill to get them going, only nine per cent said they had to turn to it to give them a boost.

We asked three *Sport* stunnas what they thought of a midlife crisis becoming a midlife sexual adventure…

Chloe Saunders says…

I SLEPT with a man in his 40s when I was just 23 and now I don't want to go with a bloke younger. It was the best sex I've ever had and he paid so much attention to leave me more satisfied than ever. Older men do it better.

Kelly Tucker says…

I HAVE quite a lot of raunchy sex now – I love shagging outdoors purely for the dangerous thrill of it – and I regularly use sex toys too. If that carries on into my later life then I can't wait!

SPEARMINT RHINO BABE OF THE WEEK

Chloe WELSH

By JESS GALLEY jess@sundaysport.co.uk

WELSH stunna Chloe Welsh has told us what gets her hot under the collar when it comes to dating.

The exotic dancer, from Wrexham, North Wales, said she is looking for a fella with good banter – but if he doesn't have tattoos, then Chloe's simply not interested.

Chloe, 28, stripped off for this steamy lingerie shoot in honour of being named our *Spearmint Rhino Girl of the Week*.

Banter

The 32E scorcher said: "My ideal date would be with a cheeky guy, who has great banter.

"I really have a thing for beards and tattoos – and there's something that really turns me on about a man in a cap that's backwards on his head!

"I would love to be taken to a safari park too, then maybe a comedy show to break the ice with a few drinks."

Chloe also told us her most embarrassing moment came when one of her former lovers accidentally showed a saucy snap of her to his parents.

She said: "Oh God, a guy I was once seeing had a picture of me wearing lingerie as the wallpaper on his phone. His dad asked to see what phone he had one day, and both of his parents got an eyeful!"

Spearmint Rhino has a number of gentleman's clubs around the world which boast the most beautiful dancers.

If you can't make it to a club, you can find Spearmint Rhino girls at boxing and Mixed Martial Arts (MMA) fights around the country, or at the British Superbike rounds.

SWING NIGHT
R18

We've got a royal double bill for you this month...sort of..

Damsels in Distress claims to be based on the young life of writer and producer Count Gregor and it only half of it's true he's been a lucky sod. This tale of debauchery and servitude centres round a wicked Madame and her harem of gorgeous nymphets. The sex is, as you'd expect, ass-stretchingly kinky and well shot. A massive and uninhibited cast make this a classic in the world of adult movies.

Night Swing centres on lecherous Lord Devonport entertaining a bevvy of society hotties in his Mayfair penthouse...and you know where posh birds like it!

We're not convinced either the Count of the Lord are genuine royalty but we know both movies guarantee right royal stiffies!

CRICKET: CAPTAIN FACING MAJOR CHALLENGE

England require Root & branch change

NEW SKIPPER MUST GET A GRIP OF HIS THREE LIONS

By NED TRUEMAN

JOE Root must get a grip of the England team much quicker than Alastair Cook did.

That's the verdict of Mike Atherton — who lost 21 of his 53 matches in charge of the Three Lions' Test side.

But the TV pundit thinks Cook took a couple of years to find his feet in the job, time that Root doesn't have.

Athers said: "The bit before 2015 was a struggle for him at times. He was leading a team he'd inherited from Andrew Strauss.

"There was that dreadful whitewash in Australia and all the bitterness and fallout after that.

"From 2015 he got a much firmer grip on the job. He felt it was his team.

"He himself was much more relaxed, outgoing and a bit more open to outward influences rather than slightly inward looking and a bit withdrawn. There were some incredible highs in that time including the victory in India and two Ashes victories at home.

"There was some lows as well, the whitewash in Australia and the 4-0 defeat in India that finished him off in the end.

"But I think he was a better captain from 2015 when he looked more in charge."

It's not always the case that a former captain to keep his place in the side.

Atherton himself and Graham Gooch stayed on when they had resigned and Root should have Cook still around to open the batting.

England's all-time top runscorer is still only 32 so could be in the side for another six or seven years yet.

Athers thinks that will be a huge help to the new skipper.

He added: "If you've done the job as Cook has for four years, to be honest it's a relief to get rid of it at that point.

"You can just carry on and enjoy your cricket. You're not making decisions, the responsibility is not quite yours as it was and that's an enjoyable place to be.

"Cook is not the type who absolutely demands leadership and making decisions.

He's not the type to make life difficult for a new captain so I'm sure he'll carry on and I'm sure Joe Root would want him in the side."

BIG BLOW: Mullins

Ante-post supporters hit hard by Faugheen

CHELTENHAM FOCUS

WITH just over a month to go, one of the biggest betting markets at Cheltenham has been blown apart this week.

The damage was done to many ante-post tickets with the news that two of Willie Mullins' biggest stars — Faugheen and Min — would not be going to Prestbury Park in March.

It's a huge blow to the trainer who has already lost around 40 of his best horses this year when Gigginstown Stud decided to take their inmates away from the Irish champ trainer in a row over fees.

Faugheen won the Champion Hurdle in 2015 but was injured last year too so couldn't defend his crown.

The nine-year-old has had suffered a stress fracture.

Mullins said: "We had hoped Faugheen had just tweaked a muscle, but we've had it checked out and it's a stress fracture.

"It's a real shame with him. We needed everything to go right and obviously it hasn't."

Ready

Min was fancied to strike gold at Cheltenham but has picked up a niggle that will keep him on the sidelines too.

The trainer added: "Min has a bruise. Hopefully both will still make the track this season.

"There are options at Fairyhouse and Punchestown for him.

"Hopefully he makes one of them, while we'll try to get Faugheen ready for Punchestown."

Naturally, the betting market looks dramatically different for the Champion Hurdle than it did on Tuesday.

Stan James sponsor the race and their spokesman said: "In what was already a pretty volatile market for the Champion Hurdle, the news that Faugheen will not bid to regain his crown has at least made things much clearer for everyone.

"Having been 16-1, Buveur D'air is now our clear 7-2 favourite for the hurdling crown with Petit Mouchoir and Yanworth next best at 4-1."

THE WINNING POST

Ben likes look of Ben

By BEN MORGAN

ALAN King's BENEAGLES (NAP) put his debut run well behind him when he ran the strong staying Ballymalin close last time over three miles.

On another day he may well have won that race and can put that experience to good use today.

The drop in distance on a sharp track like Ludlow is a slight worry but he has plenty of pace and the rain softened ground should ensure that his stamina comes into play.

Home

It is a competitive race but if he handles the conditions of the race he should go very close indeed.

There is some good midweek prize money on offer in the 3.10 at Ludlow which I'm sure Phillip Hobbs will be wanting to take home via PULL THE CHORD.

Despite always being regarded as a better chaser than a hurdler, he hasn't quite set the world alight yet over fences.

After tiring on his first run of the season he was quietly fancied by connections next time out when he came to grief early on.

He then may well have bumped into one, in the form of Robinsfirth, next time out but still performed with credit.

He has a nice racing weight here and given his current chase mark is lower than his hurdles mark I think he is very well handicapped.

PERSIAN SNOW could cap off a good day at Ludlow for Philip Hobbs despite a mammoth racecourse absence.

He runs in the hunter chase over 2m 4f which should be an ideal trip for him and his owner/jockey like to throw a good one into this sphere.

Given that the race doesn't look too strong I fancy him to put up a bold show and if he goes off at 6/1 then he offers plenty of value.

Kerry Lee seems to have worked her magic with ALFIE SPINNER since he joined her last spring.

Bold

He is two from two for the yard and that includes last time out when he won a shade comfortably considering it was his first run of the season.

The second horse has since won which suggests the form is strong and given the fact he and Jamie Moore are being sent all the way to Carlisle today, I think a bold show is expected despite the burden of top weight.

THE BOOKIE BASHER

LET MICK LIVESEY PUT YOU ON TO A SPORTS BETTING WINNER!

RAMS TO STICK IT UP POOR FOXES

STILL A THREAT:
Derby hitman
Darren Bent

LEICESTER v DERBY CO

FORGET Coronation Street, EastEnders and Emmerdale — they are tame compared to the drama that is unfolding at the bottom of the Premier League.

The Foxes may be the current champions, but they are in real jeopardy of going from champs to chumps.

On Sunday against Man Utd they looked like a team that are in real trouble.

If Leicester fans are not already shitting themselves they should be and don't start giving me that rubbish about being too good to go down.

Nobody is too good to beat the drop, when you are down there you need to scrap for your life and on recent performances they look like they have very little fight in them.

Do you remember the Rocky movies? When he landed the title he got soft and had to rediscover the eye of the tiger while living in the slums.

Failed

Leicester have got comfortable, that hunger and desire that enabled them to capture the hearts and minds of the football world is now gone. They need to get back to basics and recapture that eye of the tiger.

Tonight they face Derby County in the FA Cup and I'm going for an upset.

Only a nutter could back Leicester on current form, Derby will be right up for this and this is screaming out a cup upset to me.

Leicester have not won a league game in 2017 and just for good measure they've also failed to score in their last five in the league.

They were lucky to scrape a 2-2 draw away against the Rams to force this replay, Bent scored a howler of a own goal and Morgan struck late.

Bent found the right net in that game also and he is a danger. He is hungry and desperate to prove he can still be a force up-front.

If Leicester's defence is not awake to the threat Derby pose they will be dumped out of this year's FA Cup in front of their own fans.

That could be the fuse that lights the touchpaper, if you think Ranieri's job is safe, think again.

He may have pulled off the greatest shock in world football, but a defeat here could be too much for the board to bare and we all know loyalty is sadly lacking in the game.

Get on Derby to heap more pressure on the Foxes at a whopping 4/1.

If you are not brave enough look at Derby to win, with draw no bet at 9/4. If you want something even bigger the best option is Bent to score and Derby to win at 7/1.

RANIERI 3/1 FOR AXE

My sources close to the club suggest that patience is waring extremely thin with Ranieri.

Unless there is a real turnaround in fortunes and quickly they will be forced to sack the man who won them the title.

It seems bizarre but I reckon we should have a couple of sheckels on just in case at 3/1.

GREYHOUND RACING

We are starved of quality midweek football action so let's have a few punts on the dogs.

It may not be Towcester with their outstanding eight-dog action, but I think I've found us some nice bets at Central Park tonight.

T5 Dranoel 20.18

Sent off at 4/6 on Saturday night at Towcester, this dog justified those odds when he ran out a comfortable winner of the hurdle.

He's warming up for the Springbok well and should take the beating here.

He jumps well and possesses plenty of pace and looks the one they've all to beat.

T6 Corrin Boyshane 20.50

This looks a two dog race, preference is for Boyshane over Droopys Costa based on last week's performances in the heats.

Ernie Gaskin looks to have a top-quality tracker on his hands and if he breaks like he did last time, it would be a brave punter who backed against him carrying the stripes to victory.

T3 Lenson Rambo 22.26

Rambo was unlucky last week, he got a bump and still managed to hit the front before running out of steam.

Tonight he can ping from trap-three and make every post a winning one.

MAGNIFICENT 7 FOR KOP

Neville: Week between games will rescue Reds

LIVERPOOL have been backed to sort their season out — by one of their biggest enemies.

Gary Neville is a hate figure at Anfield after making no secret of his dislike for the Reds even after hanging up his boots at Manchester United.

But his "friends" at the other end of the East Lancs Road will be hoping his latest prediction comes true. He thinks Liverpool will roar back up the table now they have time to rest for a week between games.

They have crashed out of the FA Cup and missed out on a place in the EFL final. That means boss Jurgen Klopp will have more time to prepare his players — and they get more time to rest.

By JOHN ANTHONY

Neville thinks that gap between games was key to Liverpool topping the Premier League before Christmas.

And he believes it will save their season and earn them a precious place in the top four and a return to the Champions League.

Neville said: "Liverpool had a period where they could pick the same side, they had that week to prepare.

"The minute that squad hit three games a week, with the way that they play, was always going to hurt them. You cannot play that way three times a week." And Neville is critical of Klopp for making so many changes to the team for cup games — even if it did mean giving players a rest.

ADVICE: Neville

He added: "When you are leaving six players back at base, it causes disruption, it disrupts the squad and the squad just isn't good enough.

"Liverpool will get stronger as the season goes on.

"Now they are out of the cups, they are back to that period where they will have a week between games, and that is when they get can get their energy up and become devastating."

Change

Neville is clear about one thing though — Klopp needs to get the club's Yank owners to splash some cash in the summer.

They have made a profit on the German's transfer deals since he took over at Anfield.

That's something Neville believes must change — and fast.

He agrees with Liverpool fans who say the spine of the side is too weak and they need a goalie, centre-back, centre midfielder and centre forward.

They won't come cheap but are essential for the former England skipper.

Neville added: "Next season, when they potentially get back into Europe, they will have to strengthen the squad.

"There is absolutely no doubt about that."

OFF FORM: Lallana is one of the Kop stars struggling

ON FIRE: Carroll

My goals come in Andy to Hammers

ANDY Carroll says he's thrilled to be showing the West Ham fans a glimpse of his true.

The injury prone hitman has looked every inch the £15million striker since coming back into the Hammers' side.

He took his tally to five goals in seven games with a classy strike against Southampton.

And the big Geordie says there is more where that came from.

He added: "I'm happy with how it's going in front of goal for me at the minute.

"It was probably one of the only chances I had in the game, so it was nice to put it away.

"It was a good result for us on Saturday. We didn't deserve to go 1-0 down, but when we did I think it changed the game for the better.

"We realised we were in a game, pushed up and got a goal straight away for myself.

"I was well chuffed with it, we carried on and got another just before half-time.

"It was important to cancel out their goal so quickly. That's exactly what we did."

Mauling

Carroll thinks the Hammers are a much better side than some of their recent displays.

They bounced back from a 4-0 mauling by Man City at Southampton and the striker reckons that was more like their true form.

Victory against West Brom at the weekend could see them break into the Premier League's top 10.

Carroll added: "We've been playing well lately. We've bounced back straight away from the Man City game and proved that we're playing well by getting three points.

"We've got a very good team and we're always capable of winning games."

Boss Slaven Bilic thinks the Saints win proves the Hammers can prosper without Dimitri Payet.

He said: "It is the team who have responded to that.

"We lost a great player, but these things happen in football. The team have reacted in the best possible way.

"The boys have shown in those difficult situations that we aren't going to sink, we're not going to crumble."

WE KANTE TAKE FOOT OFF GAS

N'GOLO Kante is taking nothing for granted even though Chelsea are miles ahead at the top of the table.

The midfielder was key to Leicester's title charge last season and is working wonders at Stamford Bridge.

The Blues have put nine points between them and their nearest challengers — but Kante is still looking over his shoulder.

He said: "Every season is different — this season, there are a lot of competitors for the title and there is still a long way to go.

"We can't say we are close to the title, we just have to fight for every game. It's not finished and a lot of things can happen. It was an important week for us with Liverpool and Arsenal, we took four points out of six, and it was a good win for us at the weekend."

By ANDY MILLOM

Kante is a dream player for Chelsea boss Antonio Conte who values workrate higher than anything.

The Frenchman always puts a shift in and plays a vital role with Nemanja Matic in the heart of the Blues midfield.

Players who have been at Chelsea for a few years have been shocked by Conte's intensity in training and how much he expects from them.

But it's clearly paying dividends as a squad that flirted with relegation last season looks nailed on for the title.

Blues keeper Thibaut Courtois says Conte's intensity has made a massive difference at Stamford Bridge.

And the boss shows no signs of laying off his players now they are so far ahead at the top of the table.

Courtois said: "It is good if you have a manager who is demanding a lot.

"You have to be at your top every week, and that is what makes you champions. If you have a manager who is not demanding then sometimes you relax and you lose games.

"I want to improve myself to reach a higher level.

"I think I am on a very good level, but I know that I can improve myself. I think in everything you can improve.

"Everything you can improve every day and search for perfection and that is what I will try to do.

"When I was in Belgium, I played a lot of balls short. At Atletico Madrid, the trainer preferred only long balls, so you forget to play short a little. So maybe that might be the biggest point of improvement."

PREMIER LEAGUE CLUBS ON ALERT

EYEING A MOVE: Alex Lacazette

Game Zette and match maker

COME AND GET ME SAYS FRENCH STRIKING STAR

By MARK NAYLOR

ARSENAL are on red alert after Alexandre Lacazette confirmed he will be leaving Lyon this summer.

West Ham could also be interested in the 25-year-old who has been on the Premier League radar for a couple of seasons.

Lyon have kept their star asset under lock and key in the face of interest on this side of the Channel. But it looks the man himself has made up his mind — with London his preferred next destination.

He said: “I think the time has come, the right moment.

“I think that this summer will be the time where I will need a change of scenery and discover something else, still with the idea of advancing and progressing in terms of football and as a person.

“I am going to continue to work in the hope that good opportunities will come this summer.”

Both the Hammers and Arsenal have been close to signing Lacazette in the past couple of years.

Release

Lyon rejected bids north of £30million for the hitman and they won’t be letting him go on the cheap.

He is contracted in the south of France until the end of the 2018-19 season and it’s assumed there’s no release clause in his contract.

Lacazette is such hot property thanks to his consistent scoring record.

He is having another stellar season in France with 18 goals in 18 league appearances even though Lyon are struggling by their high standards.

They look set to miss out on a Champions League place for next season, sitting 12 points behind the crucial third place.

GUNNING FOR TITLE: Kane

Spurs must do more than Kane Arsenal

HARRY Kane insists that there’s no north London duel between Tottenham and Arsenal.

The striker just wants Spurs to finish as high in the league as possible — whatever the Gunners do.

Kane’s side are three points clear of their neighbours but have not finished above Arsene Wenger’s boys for 21 long seasons.

Tottenham should have ended that run last season — but they blew their chance with a weak finish to the campaign.

Despite that, the England hitman says the Gunners are not on his mind.

He added: “We don’t focus too much on finishing above Arsenal — we just want to finish as high as possible.

“If we don’f finish first it’s second and if it’s not second it’s third. We just want to be as high as we possibly can.

Success

“We’re in a good position and we want to fight Chelsea all the way. But if we don’t win the league we want to finish second — that’s what we were disappointed about last year.

“This year we want to put that right.”

Kane has kept up his amazing partnership with Dele Alli and hopes the pair can fire Spurs to success in three competitions.

As well as the Prem a nd the FA Cup, there is also the little matter of the unloved Europa League.

Kane added: “We’re doing better than last year. It’s just that Chelsea have got that lead so it probably doesn’t look like that.

“We’re getting more mature and we have to keep getting better.

“Hopefully we can win a trophy this year whether it’s Premier League, FA Cup or Europa League and that can get the ball rolling for years to come.”

Tottenham travel to Liverpool at the weekend and Spurs midfielder Ben Davies is expecting a tough time.

Despite the Kop being on a shocking run — including losing to Hull and Swansea — he won’t be taking them lightly.

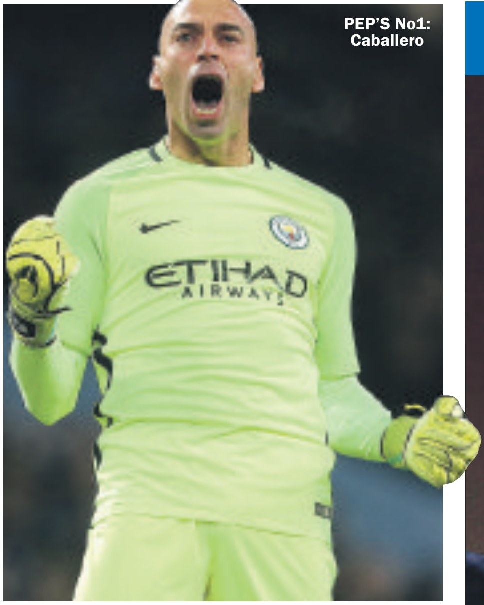
He warned: “We’ve seen they’re not on the greatest run but they’re still a very, very good team.

“They’re going to be dangerous to play against, especially at home.

“It’s one we’re looking forward to and we’ve got to go into it looking to get the points.”

BACK TO FORM: Alli

CAUTIOUS: Davies



PEP'S No1: Caballero

Big Willy comes to defence of calamity Claud

CLAUDIO Bravo will be back in Man City's goal better than ever — says the man who's nicked his place.

After a string of woeful displays, Pep Guardiola finally threw Willy Cabellero between the sticks against Palace in the FA Cup — and he kept his place in the Premier League clashes with West Ham and Swansea.

The boss says the 35-year-old is now his first-choice keeper and Bravo needs to shape up or ship out.

Caballero is happy to be seeing some action but is backing his competitor for the shirt to show his quality.

GARBAGE: Claudio Bravo

He said: "It's not been an easy week for him but his behaviour is fantastic.

"He supports me and we are working really hard and he has a competitive mind, so he's doing very well.

"Claudio is a fantastic player, a fantastic keeper and we have to respect him because he is probably the keeper with more titles in his country in the last two years.

"When we train during the week we receive the same indication.

"Whether it's Claudio or me when we train we receive the same information, so we are ready to play and we don't have a difference with the boss and the rest of the players.

"I was always waiting for the cup but now I am ready for every single game. I will try to work really hard for the rest of the week but he always makes the decision for the team."

Joe Hart was shipped out in the summer because Pep wasn't happy with his kicking — and that's something Caballero has been working on.

BOMBED OUT: Joe Hart

He added: "I feel I have improved with my feet from the time the boss arrived here."

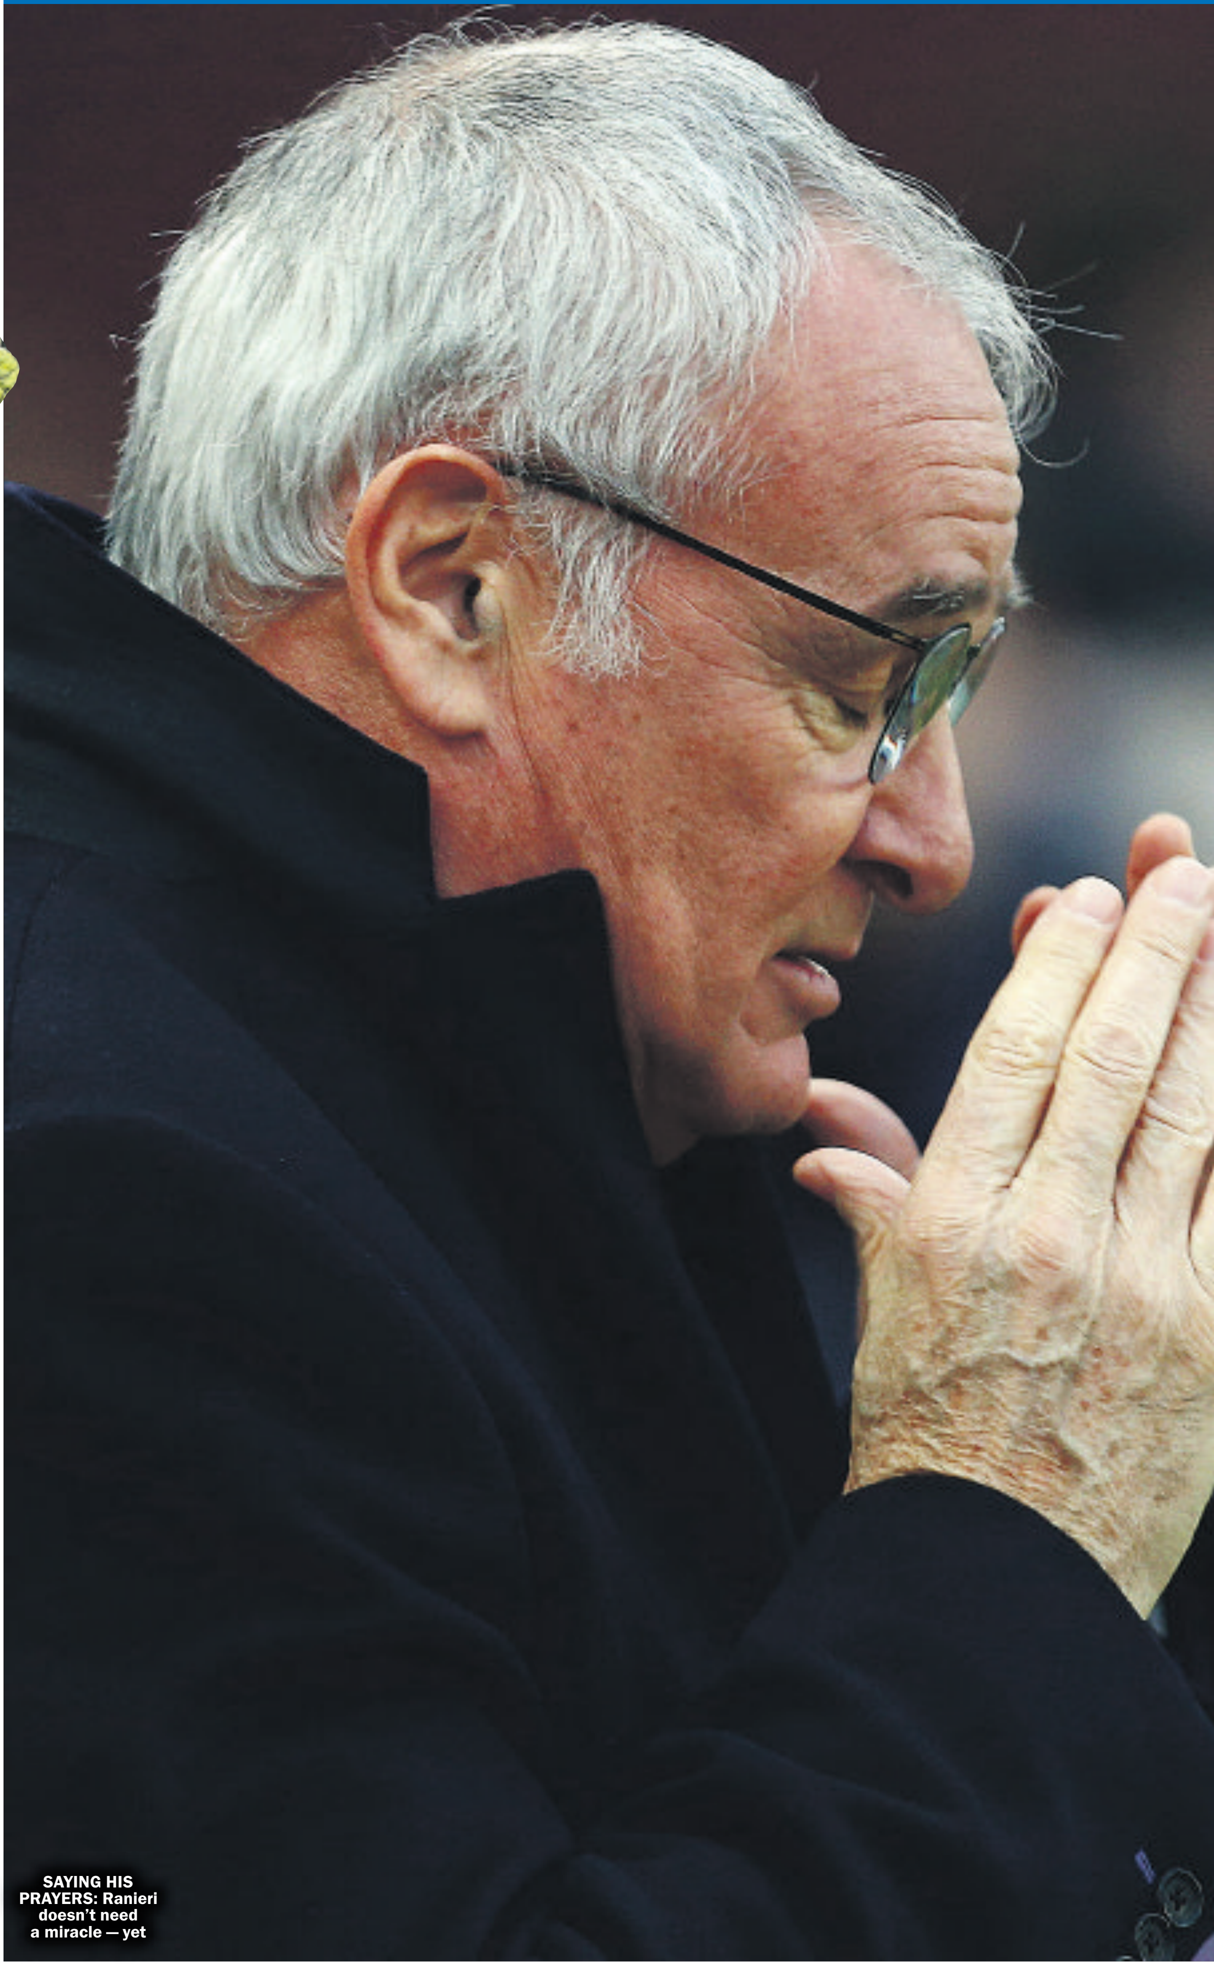
City huffed and puffed against Swansea at the weekend and it took a last-gasp striker from new teenage striker Gabriel Jesus to take the three points.

Caballero was impressed by the way his team-mates kept going until the very end.

He added: "We put in our backpack a lot of weight when we conceded but with Gabriel Jesus and the rest of the team, in the last 10 minutes we played with more intensity and that was the key.

"We played brilliantly in the first half but it wasn't enough and we just scored one goal, but I think we played with a lot of luck because in a lot of games we didn't get any against Middlesbrough or Everton at home when we dropped points."

FA CUP FOURTH ROUND REPLAY:



SAYING HIS PRAYERS: Ranieri doesn't need a miracle — yet

LEICESTER CITY v DERBY COUNTY

WEDNESDAY, 7.45PM LIVE ON BBC ONE

WE STILL ALL LOVE RANIERI

By PAUL THOMAS

Foxes deny dressing room bust-up

LEICESTER manager Claudio Ranieri may be fighting to save his job — but he's got plenty of fans in his own dressing room.

Rumours of splits and rows in the Foxes camp have been blamed for their shocking defence of their shock Premier League title win.

The defending champions have only been relegated once in the history of English football. And it won't surprise Manchester City fans to learn they pulled off the feat in 1938.

Leicester are getting ever closer to matching that unwanted stat as they sit just a point above the relegation zone.

They have the unwanted distraction of Derby in the FA Cup tonight and a win — any kind of win — could get them out of their slump.

Behind

The Foxes players have been speaking out in support of their manager amid rumours that the Italian is about to be sacked.

But maybe that's part of the problem that Ranieri hasn't been throwing the teacups about as Leicester have won just five league games from 24.

The latest title winner to come out and speak up for the boss is Demarai Gray.

He is adamant that there is nothing rotten behind the scenes at the King Power Stadium and everyone is pulling together to get out of the shite.

The winger said: "We're all together, we're all behind each other. We have to back each other in the changing room.

"We'll stay together, get back on the training ground, work on what we need to and keep doing our best on the weekends."

Gray might have forgotten that the Rams are in town before the weekend's six-pointer at Swansea.

Given that Leicester have yet to win on the road in the league this term, he's got every right to be worried.

Should the Swans win, the title holders could be BOTTOM of the table come Sunday afternoon and it would be a long way back from there Gray added: "It's a massive match. The lads have already said we understand how big that game is.

"We know we're a good team and it just hasn't worked for us yet. We haven't got going.

"We get a game plan, stick to the game plan and hopefully we get the points."

Gray concedes that conceding has been the Foxes' problem this season.

Where their defence was rock solid last term, Robert Huth and Wes Morgan have looked a lot shakier this time around.

Fight

Gray added: "It's been a little bit of a problem with us this season.

"Once we conceded it kind of knocks us back, but it is one of them ones where we have to take the defeat and just keep pushing on now."

Danny Simpson is one of those struggling defenders.

But he's adamant that Leicester will fight their way out of bother before it's too late.

He said: "We need fight, spirit, luck. We haven't had that luck but we can't keep saying that.

"We are conceding goals we don't normally concede.

"It is up to everyone to do their share. We knew it wasn't going to be like last season but it is tougher."

HE'S NOT DOWN YET: Demarai Gray

SITTER: Ince

There's no doubting Thomas says Mac

DERBY boss Steve McClaren is backing Tom Ince to bounce back from his howler against Newcastle.

The Rams forward missed a massive sitter at St James's Park, managing to miss an open goal from just six yards out.

It would have clinced a precious point for the Rams who went down 1-0.

Now McClaren wants Ince to show his backbone by performing well against Leicester in the FA Cup.

He said: "Tom will be the first to admit he's disappointed that he didn't score.

"We can't complain given all the goals he has scored this season.

"It's just a shame because that is probably the easiest chance he's had, and he's missed.

"He has scored from harder chances than that and will do again."

Team-mate Chris Baird is also backing Ince to put his Toon nightmare behind him quickly.

Fault

He said: "I don't know what happened. I just think he mishit it, or he thought there was going to be a challenge put in on him.

"I think he had more time than he thought but these things happen.

"He missed it but he's been on fire recently and you can't fault his goals, his assists and his work rate over the past few months. He's been fantastic."

McClaren could hand starts to Julien De Sant, Abdoul Camara and Ikechi Anya against Leicester.

All three caught the eye coming off the bench against Newcastle.

Given Bradley Johnson has a knock, at least one of them looks certain to start.

McClaren was clearly impressed with their effort at St James's Park.

He said: "Julien De Sart was excellent when he came on and got us playing more football, and got us a lot further up the pitch which we didn't do enough of in the first half, while Abdoul Camara and Ikechi Anya did well too.

"I felt that the substitutes were going to be important for us and especially with so many games coming up, too."

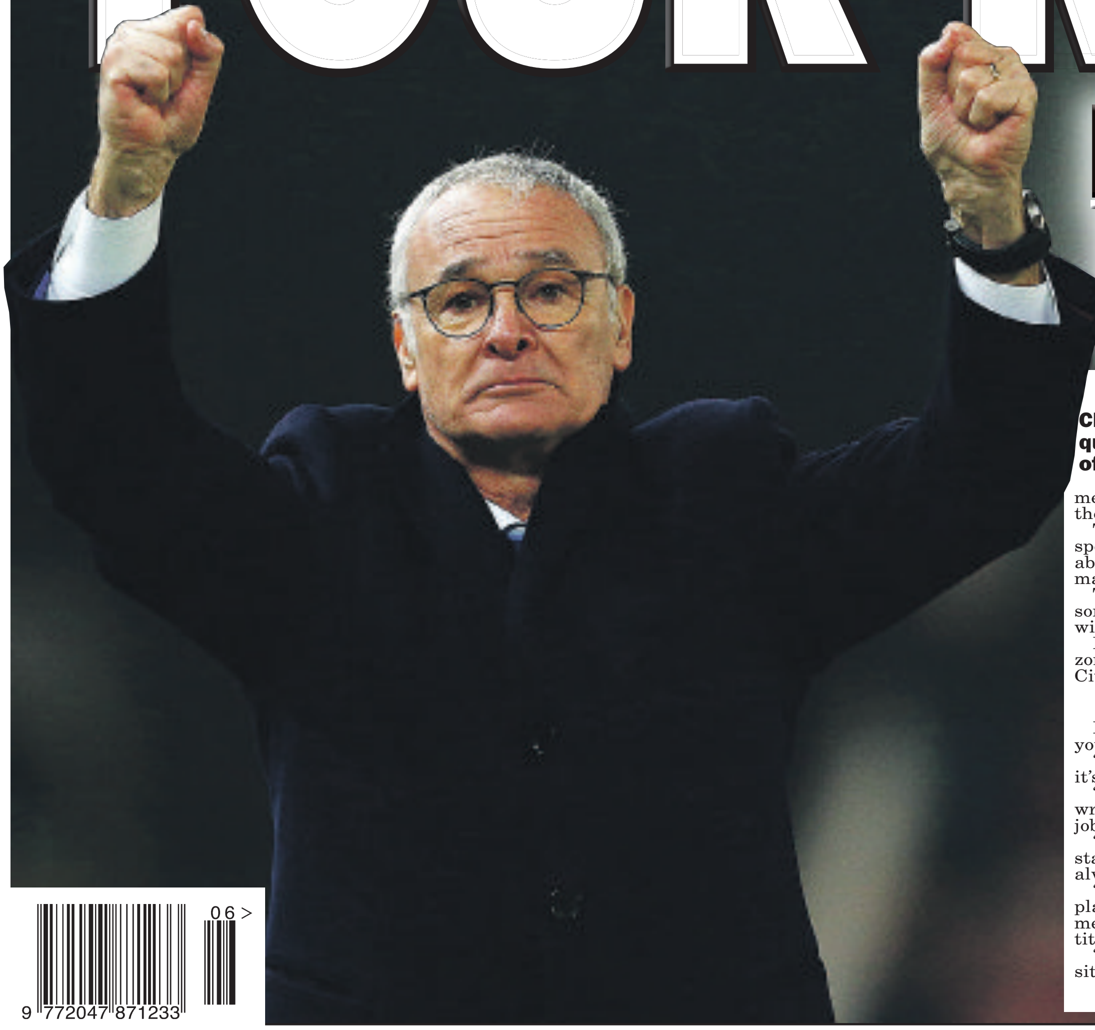
DREADED VOTE OF CONFIDENCE FOR ITALIAN

STAND BY YOUR RAN



Foxes board back Claudio

By JOHN ANTHONY

CLAUDIO Ranieri better get down the job centre quick — the Leicester board have given him a vote of confidence.

While the sack usually comes just days after such a statement, this time it looks as though the Foxes mean it and the Italian will get the chance to turn their season around.

The Leicester board statement said: “In light of recent speculation Leicester City Football Club would like to make absolutely clear its unwavering support for its first team manager Claudio Ranieri.”

The man himself says he just wants to concentrate on sorting the team out — starting with tonight’s FA Cup clash with Derby at the King Power.

But Leicester sit just ONE POINT above the relegation zone and could be the first champions to go down since Man City back in 1938.

Focus

Ranieri said: “It is not a crisis — you win three matches you are God, you lose three matches you aren’t God.

“It is normal. In all of football and sport this is the same, it’s okay.

’’I understand football. You need to speak, you need to write and when there is something good you have to do your job. I have to do my job and the job in football is this.

“I didn’t need to ask because for me it was normal. The statement finishes all the speculation but for me my job is always the same, focus on the next match.

“For me it is important to try the right solution for my players, that’s it. I have all the confidence of the club with me. This club, these players came from the bottom to win a title.

“These players are warriors. They have already lived this situation. They know the problem, they know the enemy.”
